OUR PATRON

MOTHER TERESA

Mother Teresa was born on August 27, 1910 in Skopje, Macedonia. Her original name was Agnes Gonxha Bojaxhiu. The youngest of the children born to Nikola and Drane Bojaxhiu, her father was a successful merchant and she was youngest of the three siblings. She received her First Communion at the age of five and a half and was confirmed in November 1916. From the day of her First Holy Communion, a love for souls was within her. Her father's sudden death when Gonxha was about eight years old left the family in financial straits. Drane raised her children firmly and lovingly, greatly influencing her daughter's character and vocation. Gonxha's religious formation was further assisted by the vibrant Jesuit parish of the Sacred Heart in which she was much involved. At the age of 12, she decided that she wanted to be a missionary and spread the love of Christ. At the age of 18 she left her parental home in Skopje and joined the Sisters of Loreto, an Irish community of nuns with missions in India. There she received the name Sister Mary Teresa after St. Thérèse of Lisieux.

After a few months of training at the Institute of the Blessed Virgin Mary in Dublin Mother Teresa came to India on 6 January 1929. On May 24, 1931, she took her initial vows as a nun. From 1931 to 1948, she taught geography and catechism at St. Mary's High School in Calcutta. On 24 May 1937, she made her Final Profession of Vows, becoming, as she said, the "spouse of Jesus" for "all eternity." From that time on she was called Mother Teresa. She continued teaching at St. Mary's and in 1944 became the school's principal. A person of profound prayer and deep love for her religious sisters and her students, Mother Teresa's twenty years in Loreto were filled with profound happiness. Noted for her charity, unselfishness and courage, her capacity for hard work and a natural talent for organization, she lived out her consecration to Jesus, in the midst of her companions, with fidelity and joy.

On 10 September 1946 Mother Teresa got a call from Jesus to abandon teaching and to work in the slums of Calcutta. In January 1948 she got the permission to leave Loreto convent and to work for the unwanted, the unloved and the uncared. In 1957 she started the religious congregation for sisters called the Missionaries of Charity. Mother Teresa has received 124 awards and the important among them include the following.

1962 - Padmasree

1971 - Pope John Paul XXIII Peace Prize

1971 - John F Kennedy International Award

1972 - Jawaharlal Nehru Award for International Understanding

1973 - Templeton Prize for Progress in Religion

1979 - Nobel Peace Prize

1980 - Bharat Ratna

1983 - Order of Merit from Queen Elizabeth

1987 - Gold medal of the Soviet Peace Committee

1997 - United States Congressional Gold Medal

The whole of Mother Teresa's life and labour bore witness to the joy of loving, the greatness and dignity of every human person, the value of little things done faithfully and with love, and the surpassing worth of friendship with God. On March 13, 1997, Mother Teresa stepped down from the head of Missionaries of Charity. She died on September 5, 1997, just 9 days after her 87th birthday. She was given the honour of a state funeral by the Government of India and her body was buried in the Mother House of the Missionaries of Charity. Her tomb quickly became a place of pilgrimage and prayer for people of all faiths, rich and poor alike. Mother Teresa left a testament of unshakable faith, invincible hope and extraordinary charity. Her response to Jesus' plea, "Come, be My light," made her a Missionary of Charity, a "mother to the poor," a symbol of compassion to the world, and a living witness to the thirsting love of God. Following Mother Teresa's death, the Holy See began the process of her canonisation. In 2002 Vatican recognized a miracle through which an Indian woman Monica Besra was cured of abdominal tumor through the intercession of Mother Teresa. On 19 October 2003 she was beatified by Pope John Paul II. On 17 Decemer 2015 Pope Francis recognized a second miracle through her intercession. It was healing of a Belgian man named Marcilio Andrino who was in coma due to a viral brain infection. On 4 September 2016 Pope Francis declared Mother Teresa a Saint.

ST. KURIAKOSE ELIAS CHAVARA CMI

(1805 - 1871)

Founder, C.M.I Congregation

St. Kuriakose Elias Chavara C.M.I was a Catholic priest in Kerala. He was a saint and a great reformer of the Church and the society. He started the first Sanskrit school at Mannanam in 1846. He was the root cause of tremendous growth of education in Kerala. He started schools and gave education to all including girls and dalits. He is the first Indian dared to admit untouchables to schools, and provided them Sanskrit education that was forbidden to lower casts. He started the first school and boarding for girls in 1868. As the Vicar General in Kerala he insisted in 1864 that schools should be opened attached to churches. Then many schools were opened and thus schools came to be called Pallikudams (schools attached to Palli). He encouraged learning English, which was generally discouraged. He introduced midday meal to poor students and to support it introduced the pidiyari scheme. (families setting apart a handful of rice every day to feed the poor). Thus he took special initiative for the education of girls and dalits. Thus Fr Chavara revolutionalised the education sector of Kerala. Following the example of St.Chavara the C.M.I congregation started a number of educational institutions in India and now it has a large net work of educational institutions including play schools, schools, colleges, professional colleges and schools for the mentally challenged.

St. Chavara is the founder of CMI congregation for men and C.M.C congregation for sisters. He started the first old age home. He satrd the first printing press by the church. He himself was a good writer and has written many books.

Fr. Chavara is the first male Catholic Saint of Indian origin. He was declared a saint on 23 November 2014 by Pope Francis.

CMI EDUCATION POLICY STATEMENT

We, the Carmelites of Mary Immaculate, after the example of our founder St. Kuriakose Elias Chavara consider education integral to the formation of the human person for the fulfilment of his/her individual and social responsibilities.

Our educational endeavours aim at forming leaders who are intellectually competent, spiritually mature, morally upright, psychologically integrated, physically healthy and socially acceptable; who will champion the cause of justice, love, truth and peace and who are ever open to further growth.

The secret of the success of our educational institutions is a community of teachers who are committed to their vocation, professionally competent, morally upright, just and humane in dealings, and who grow in the true vision of education.

We aspire towards creating a just and human society where dignity of the human person is respected, where unjust social structures are challenged, where our cultural heritage of ahimsa, religious harmony and national integrations is upheld, and where the poor and the marginalised are specially taken care of.

We have to reach out of the families, primarily of the students, to assist them in their needs, to share in their joys and sorrows, and to help them experience love and freedom so that the students realize that our educational institutions are an extension their homes.

Our institutions are open to all students irrespective of caste and creed; they are accepted and cherished as they are and are helped to grow in their cultural, social and religious traditions. As they are privileged to be in our institutions, they will also have the right to get acquainted with the person of Jesus Christ and His Gospel. Being institutions established by and for a minority community based on religion, they will give preference to Christians in admissions and appointments and have a special concern for the faith formation of the Christian youth.

Our Institutions have to be open to society at large by making their resources available for the ongoing education and non - formal teaching, parents and teachers to share this vision and to co-operate with us wholeheartedly.

VISION AND MISSION OF THE COLLEGE

Vision

“To form teachers who are dedicated, skillful, resourceful, enthusiastic and inspirational who will dream for the country, teach students to dream high and uphold the motto “PRO DEO ET PARTRIA.” (For God and Country)

Mission

To prepare student teachers committed to the common pursuit of truth and moral excellence.

To help student-teachers achieve self-discipline, cultivate good habits and become open to the Spirit.

To train student-teachers in clarity of thought, accuracy of expression and to develop in them leadership qualities.

To promote a healthy modern outlook among the student teachers while drawing inspiration from our ancient cultural heritage and tradition.

To inculcate in the student-teachers a sense of responsibility to the nation, encourage their creative involvement in the building up of a new India - a country free from exploitation, injustice, ignorance, poverty and misery.

THE COLLEGE EMBLEM

The emblem of the college is a vivid and graphic portrayal of its holistic vision that corresponds with the educational policy of the Carmalities of Mary Immaculate, the first indigenous religious congregation whose pioneering efforts and sustained support this institution owes its existence and progress. The “flame” at the vertex is quite essential insignia of spiritual enlightenment, cleansing, healing, truth seeking, activity, creativity, unity, health, passion, love, strength, courage and willpower. The “globe” below the flame and above the open text is symbolic of the didactic mission entrusted on every teacher. The open text can imply any book as a source of information. It also symbolizes the Bible - word of God. If a teacher dedicates himself to listen to the word of God he will shine like a flame. The radiance of his knowledge will liberate the body and soul of all men and women. The image of a pen in the center is the embodiment of literacy and education. The society can only be enriched and prosperous if persons are educated and literate. A pen also symbolizes inspiration. It gives the driving force. The motto “PRO DEO ET PATRIA” - FOR GOD AND COUNTRY, inscribed at the bottom of the Emblem, is a concise Latin rendering of this institution’s commitment to the Creator and the Fatherland.

Thou art the ruler of the minds of all people,
Dispenser of India's destiny.
Thy name rouses the hearts of Punjab, Sind,
Gujarat and Maratha,
Of the Dravida and Orissa and Bengal;
It echoes in the hills of the Vindhyas and Himalayas,
Mingles in the music of Jamuna and Ganges and is
Chanted by the waves of the Indian Sea.
They pray for thy blessings and sing thy praise.
The saving of all people waits in thy hand,
Thou dispenser of India's destiny.
Victory, victory, victory to thee.
